What if I missed my performance?

Unfortunately, we cannot issue refunds or exchanges. However, any unused tickets may be honored at a future performance as past date tickets. These tickets are issued at the sole discretion of management and are subject to availability and blackout dates. There is no guarantee of a seating location comparable to the location or price of the original tickets. Past dating is generally not available on holiday weeks, heavily sold, and sold out performances.

On the day of the performance you would like to attend, call the Daryl Roth Theatre Box Office after 1:00pm at 212-375-1110 x1, to see if past dated tickets are being honored for that performance. If tickets are available, you will be admitted as our guest. This is a one-time courtesy and is only valid for tickets to the same production. No arrangements can be made prior to the day you wish to attend, no exceptions.

Once confirmed by phone, your tickets will be available at the box office 30 minutes prior to the performance. You will need to present your original tickets before the box office will issue new tickets. Latecomers cannot be accommodated.
