VACCINATION

HYPROV: Proof of full vaccination is required for all audience members. Boosters are encouraged, but not required.

Those who require a reasonable accommodation due to a medical condition or sincerely held religious belief must provide proof of a negative COVID-19 PCR test taken within 72 hours of arrival, or a medical lab obtained negative COVID-19 rapid antigen test taken within 6 hours of arrival.

EVERYTHING'S FINE: Proof of vaccination is not currently required. Masks are still mandatory.

MASKS

Mask must be worn at all times in the building, unless actively drinking or on-stage. Masks must cover nose and mouth and fit snugly against the sides of the face. Disposable masks are available upon request.
